

YODELLERS FOR HYDRO

Because of popular demand the Swiss Yodellers will be appearing for a dual purpose at the Hydro Majestic Hotel at Medlow Bath on Saturday night, May 30. The Yodellers will entertain guests and patrons and will help celebrate the 70th birthday of Mr. Fred Huber of Mount Wilson. Mr. Huber helped organise the original Swiss Yodellers in Australia. On Saturday night a group of about thirty people will also celebrate the birthday of several people over the age of sixty at the Hydro, including Mr. Huber, Mrs. J. Kirk of Mount Wilson, Mrs. Johnson of Mount Victoria and Mrs. Huber of Bowral. The above photograph was taken when the Yodellers last appeared at the Hydro in February. —Photo courtesy Souvenir Snopshott, Katoomba.
